

# Community Development Terms of Reference 2013-2014

Amongst the Glebe Society's aims, those that relate most closely to Community Development are:

- the enhancement of community spirit, and
- working cooperatively with other local organisations.

These reflect the Constitutional objects for which the Society is established including:

- (vii) encouraging the village atmosphere and community spirit in Glebe;
- (viii). . . community activities;;

Pursuant to these, the objectives of the Community Development Subcommittee are ;:

- On behalf of TGS, to liaise with local service providers at the FLAG Community Forum
- Pursue community building initiatives where appropriate
- Reach out to the wider community through its activities
