night 2011**

MEDIA RELEASE

October 26, 2011

CELEBRATE WITH GLEBE'S RISING TALENT

The Glebe Youth Service (GYS) will hold its annual Film and Fun Night on Saturday 12 November, 2011 at the Peter Forsythe Auditorium, Glebe. The night includes performances from local musicians such as hip-hop group Str8 Ballaz as well as artists and film makers. Each year GYS partners with Short Black Films to produce a 10-minute short film based on young people's personal experiences. Many of these young people have overcome adversity to find a voice through their art.

Keiran Kevans the GYS coordinator says 'It's an event that showcases the creative talents and achievements of local young people. It's a night where we celebrate and acknowledge the creative talents of our youth and the positive contribution they make to our society. Watching the short films and listening to their music on a balmy spring night with a steak sandwich in one hand and a soft drink in the other, what's not to like?' People of all ages and diverse backgrounds are welcome, it may just open a few minds and warm some hearts. The night includes a variety of activities including 3 on 3 basketball games, BBQ, lucky door prizes and a screening of the young people's films.
