### **Don't Get Around Much Anymore**

*Lower voices:*

Missed the Saturday dance  
Heard they crowded the floor  
Couldn't bear it without you

*SATB:*

do do do do  
do do do do  
without you - u

*ALL:*

Don't get around much anymore

*Lower voices:*

Thought I'd visit the club  
Got as far as the door  
They'd have ask'd me about you

do do do do  
do do do do  
about you-u

*ALL:*

Don't get around much anymore

8

**Fever**

*ALL:*

Never know how much I love you,  
Never know how much I care.  
When you put your arms around me,  
I get a fever that's so hard to bear.

You give me fever.

9

**I Will Survive**

*ALL:*

Go walk out the door  
Just turn around now  
'cause you're not welcome anymore.

Weren't you the one who tried to hurt me with goodbye  
And did I crumble, did you think I'd lay down and die?

Oh no, not I.  
I will survive,  
Oh, as long as I know how to love I know I'll stay alive;  
I've got all my life to live,  
I've got all my love to give and I'll survive  
I will survive

10

**So Far Away (covid words as per Carole King)**

*ALL:*

So far away!  
*Everybody* has to stay in one place anymore?  
It would be so fine to see your face at my door.  
Doesn't it help to know you're just time away.

Long ago, I reached for you and there you stood.  
Holding you again could only do me good.  
How I wish I could, but you're so far away!

11

**We'll Meet Again**

***ALL:***

We'll meet again, don't know where, don't know when.  
But I know we'll meet again some sunny day.  
Keep smiling through just like you always do;  
'til the blue skies drive the dark clouds far away.

12

So will you please say hello to the folks that I know.  
Tell them I won't be long.  
They'll be happy to know that as you saw me go I was singing this song.

We'll meet again, don't know where, don't know *when*...

13

**Aquarius**

***UNISON:***

*When* the moon is in the seventh house  
And Jupiter aligns with Mars,  
Then peace will guide the planets  
And love will steer the stars.

14

***in harmony:***

This is the dawning of the age of Aquarius,  
the age of Aquarius,  
Aquarius  
Aquarius
