BICENTENNIAL PARK PHOTOGRAPHS THANK YOU ANNANDALE ASSOCIATION

The aerial photographs included with last month's Bulletin showed graphically the extent of the Rozelle Bay Bicentennial Park - both the section which has been approved and the part for which we are still fighting.

The copies of these photographs were donated to The Glebe Society by the Annandale Association as a token of thanks for our continued support in the battle.

What a pity Barrie Unsworth chose Rockdale and not Elizabeth for his transfer to the Lower House. They've got a Bicentennial Park!

HORSE TROUGH - ST. JOHNS ROAD

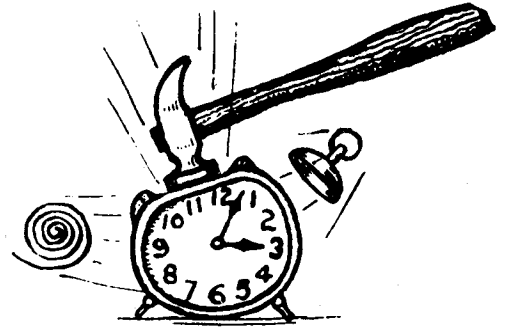

The Society has been urging the Leichhardt Council to return the horse trough to its original position now that work on 128 St. Johns Road is completed.

We are being supported in our efforts by the Heritage Council of New South Wales and The National Trust.

The National Trust pointed out that their case would be greatly strengthened if the horse trough had been classified. It may be too late to classify the horse trough but let us learn from this mistake.

In order to consider an item for classification, the Trust requires a comprehensive set of information, including color slides and a sketch plan of the item. They have sent us a set of guidelines which outlines the requirements in some detail.

What else is there in the Glebe area which we should recommend for classification before it is too late. Please ring Edwina 922 3877 or 660 7066 with your suggestions.

NOTIX

VERY IMPORTANT NOTICE

The A.G.M. TUESDAY 5th AUGUST AT
LYNDHURST, DARGHAN STREET, 7.30 p.m.

Remember you are not eligible to vote if your membership is not current. To function efficiently the committee must include:

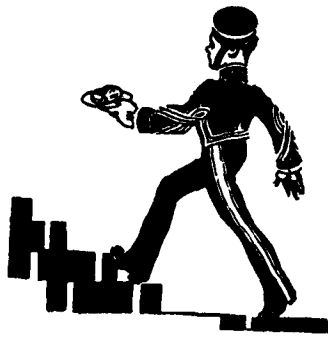

- a President
- two Vice Presidents
- a Secretary
- a Treasurer
- a Social Sub-Committee.

The society needs a secretary and a social sub-committee. These positions were not filled during 1985/86, which put a greater load on those committee members already involved.

REMEMBER A.G.M. TUESDAY 5th AUGUST AT
LYNDHURST, IN DARGHAN STREET, AT 7.30p.m.

HOLIDAY - JOHN STANDER

Our fellow member John Stander is visiting his family in South Africa. We wish him a happy time and a safe return from those troubled areas.

LETTERS TO THE EDITOR

Dear Editor:

I would like to comment on the Society's Birthday party at Bassets Restaurant on 19th June.

For almost every other Society dinner the menu has been printed in the Bulletin and we have generally had a choice of two or more dishes, but this time apparently no one knew what to expect. I believe everyone wants value for their money and according to the members I have spoken to, we did not get it.

But in spite of everything, the evening was most enjoyable due to the very good company of members and friends of the Glebe Society. Perhaps other members will express their opinions, good or bad, in the next Bulletin.

Yours truly

Betty Wright

REMINDER

A.G.M. Tuesday, 5th August, Lyndhurst Darghan Street, 7.30 p.m.

PET CATS - BE WARNED

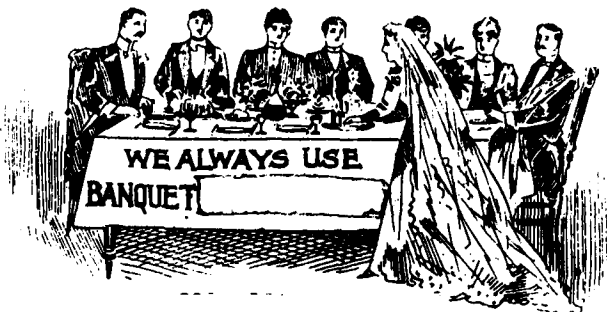

Owners of pet cats should be on the alert for larrikan dogs which are running loose around the Glebe streets and killing cats. In some cases, the dogs have jumped fences to get to the cats.

The dogs have been seen running up and down Forsyth Street, into Sheehy Street, past the new units to Cook Street. Cats have also been killed by the dogs at the bottom of Glebe Point Road, near Federal Road.

The dogs have collars, and would be someone's loved pets let out for exercise. They run wild and the killer instinct comes out. Small children could also be in danger.

The dogs can't be blamed so much as irresponsible owners who don't control the dogs, or make provision to give them sufficient exercise under their control. The problem with an inner city area such as Glebe, is that the yards are too small for large dogs.

Banquet

NOTICE TO COMMITTEE MEMBERS

Would committee members please bring a plate to the A.G.M. meeting. Thank you.

NEW RESTAURANTS

The Thai Border Restaurant, 22 Glebe Point Road, is a new addition to our Glebe dining out delights. This is a E.Y.O. restaurant and there is no corkage or weekend surcharge. A three course meal costs between \$9 and \$12.

Further afield in BALMAIN, Cafe Jules occupies what was once the lecture hall of the Working Men's Institute. During the Great DEpression the hall became the Dole office, with a discreet entrance at the rear. Entrees \$4.50. Main courses from \$9.50.

CLEANLINESS IS NEXT TO GODLINESS

A story from the past told to me recently. A Glebe resident who was so house proud, she told her husband to go and dust the wood pile at the back of the yard. The husband replied, "Lizzie, you give me some bloody dust to throw on the wood and I'll bloodywell do it."

TALL SHIPS & THE BICENTENNIAL

January 19, 1988 will see the arrival of tall ships from West Germany, United States, Spain, Poland, Japan and New Zealand. When all have arrived they will be moored together at Port Jackson. There will be a massed sail, on Australia Day, January 26, 1988. This will be a sight not to be missed. Also between January 24 and 27, 1988, Sydney will be the venue for the world congress of Cape Horners. The Australian Bicentennial Authority are planning a number of nautical activities, in recognition of the part the sea and sail played in the formation of the nation.

Herald 14th June 86.

BULLETIN EDITOR

The Society needs a new Bulletin Editor. I have a new business, and in the initial stages this will absorb most of my time. I have enjoyed putting the Bulletin together, it is not onerous. Any offers? Come to the A.G.M. and offer your services. WE NEED YOU.
